Apply Now

Welcome to the Apply Now section of our Web site, where you can quickly and easily apply for a mortgage loan to buy a house — even if you haven't selected a property yet — or refinance the loan on your existing house.

At the beginning of the [application](#) process, to ensure the security of your data, we'll ask that you register, creating a username and password. Once you've registered and are ready to start, we'll ask for information about:

- The property you want to purchase or [refinance](#) (or, if you're purchasing a home and haven't yet found a property, the area in which you'd like to purchase)
- Yourself and any co-borrowers
- Your credit
- Your income
- Your assets
- Your debts

Because of the reduced amount of documentation that we require, and because of our advanced automated [underwriting](#) procedures, you can fill out your application and get a decision in minutes, not hours or days.

And filling out the application doesn't take much time — if users gather the information and materials they need before they fill out the application, they typically can complete the application in 10 to 30 minutes. You can find a list of the information and materials you'll need by visiting the [Checklist](#) in the [Learn More](#) section of our site.

If you're ready to begin, head to our [Registration](#) page. If you've already registered and would like to finish your application or review your approved loan, go to our [Returning Users](#) page.

The screenshot displays the 'ABC Home Mortgage' website interface during a loan application process. At the top, a navigation bar includes links for 'Home', 'About Us', 'Contact Us', 'FAQ', 'Privacy Policy', 'Terms of Service', and 'Site Map'. The main header features the 'ABC Home Mortgage' logo and a '24 x 7 Customer Service' contact number (1-800-555-1234) and email address. A left sidebar contains links for 'Apply Now', 'Returning Users', 'Learn More', 'Use Our Tools', and 'Check Rates'. The main content area is titled 'Loan Application' and shows 'Step 4: Credit Check'. It explains that a credit report is needed for evaluation and that the information is kept confidential. A 'View Glossary' link is provided. A consent box states: 'By clicking the box below, I hereby consent to ABC Mortgage, its agents, and investors obtaining and reviewing my credit report.' Below this, a checkbox labeled 'Ken Bass' is checked. At the bottom of the consent box are buttons for 'Back', 'Save & Continue Later', and 'Next'. A 'Progress Meter' on the left lists steps 1 through 8, with step 4 'Check Credit' highlighted. A handwritten number '1710' is next to step 4. The footer contains the text 'Equal Housing Lender | Copyright 2002, ABC Home Mortgage' and a block of placeholder text.

Reserving Your Funds:

To reserve your funds, please choose the option below that best fits your needs:

- ☒ **Lock in the Rate** — The interest rate of 5.750% will be guaranteed for 90 days. If rates increase, your rate will not be affected; if they decrease you will not be able to take advantage of a lower rate.
- ☐ **Float the Rate** — Contact us at a later date to lock the rate, or allow it to float until a few days before closing. If rates decrease, you'll be able to take advantage of a lower rate; if they increase, your loan will be subject to a higher rate, which may affect the loan decision.

To complete the home-loan application, lock or float the rate, and reserve the loan amount, a deposit of \$50.00 is required. When the loan is closed, we will reduce the cash required to be paid at closing by this \$50.00 deposit. If you do not close the loan, the deposit is not refundable.

A commitment letter with the required federal and state disclosures will be sent to you via mail or electronically within three business days of your providing the application deposit.
